JOHN W. JACKSON (BUD FOWLER)

### HON. CHRISTOPHER P. GIBSON

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 18, 2013

Mr. GIBSON. Mr. Speaker, I rise today on behalf of my constituents in New York's 19th Congressional District to commemorate the life and work of John W. Jackson or, as he became known, Bud Fowler.

Bud was born in Fort Plain, NY in 1858 and grew up in the famous baseball community of Cooperstown, NY. As an African American in a segregated America, his race often prohibited him from participating in the same leagues as his white counterparts. Despite this challenge, he made a name for himself as the first African American baseball player to participate in organized leagues.

Beginning as a pitcher, Bud soon excelled in all positions of the game, most notably at second base, which he preferred. He played in several leagues in the second half of the 19th Century and the beginning of the twentieth. This included playing, coaching, or organizing for Binghamton in the International League, Keokuk in the Western League, Lansing in the Michigan State League, and various black ball clubs, including the Page Fence Giants, Cuban Giants, the Smoky City Giants, and the All-American Black Tourists.

Bud is recognized as having the longest professional baseball career for an African American prior to Jackie Robinson. He is an incredible role model for all Americans, displaying what can be accomplished beyond all hurdles faced in life. I am proud that I will have the opportunity to attend Cooperstown's upcoming recognition ceremony of this great American on Sunday, April 21, 2013, when a street leading up to Doubleday Field will be renamed "Fowler Way."

### HANOVER NURSERY 55TH ANNIVERSARY

### HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 18, 2013

Mr. BARLETTA. Mr. Speaker, I rise to honor Mr. John Basar and the Hanover Nursery in Hanover Township, Pennsylvania, which will celebrate its 55th anniversary this year.

In 1958, John Basar, a Hanover Township native, started taking on small landscaping jobs throughout the area while also attending classes at Kings College. Initially the operation was small—just Mr. Basar, his 1948 Plymouth Coupe, a trailer, and the part-time help of his brother and a friend. By 1960, Mr. Basar had purchased a pick-up truck and hired two full-time employees but it wasn't until 1961 that he decided his business needed a name. He chose "Hanover Nursery" as a way to honor his hometown. In 1963, Mr. Basar began to secure his first commercial landscaping contracts. A topsoil pit was purchased by the business in 1970, an asset which became invaluable to the people of Wyoming Valley

when they fell victim to the Agnes flood in 1972. Mr. Basar and the Hanover Nursery were an important part of the storm recovery following this disaster, helping to restore yards for families and eventually re-landscaping portions of the neighboring city of Wilkes-Barre.

From the mid 1970s to the present day, Mr. Basar and the Hanover Nursery have been responsible for many prominent developments throughout Northeastern Pennsylvania. The nursery's work can be seen at several commercial projects including the Crossing Premium Outlets in Tannersville, the community of Sunset Drive in Hanover Township, the Wyoming Valley levy raising project and the newly reconditioned River Commons area in downtown Wilkes-Barre.

Outside the Hanover Nursery, Mr. Basar has been a vital figure in the Hanover Township community. In 2014, he will celebrate 50 years as a member of the local Lions Club where he plays a primary role in the organization's Christmas celebration, planting new trees and decorating them with lights each Holiday season. He has also been a generous patron of the Hanover Township little league.

Mr. Speaker, for the last 55 years Mr. John Basar and the Hanover Nursery have helped beautify Hanover Township and the surrounding areas. They played an active role in growing our community. Therefore, I commend Mr. Basar and all the Hanover Nursery employees who have been integral in the development and beautification of Northeastern Pennsylvania.

### RECOGNIZING THE SHIFFER FAMILY ON THEIR CONTRIBUTIONS TO THE CHAMPAIGN FAMILY YMCA

### HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 18, 2013

Mr. JORDAN. Mr. Speaker, I am honored to commend to the House the generosity and

support of the family of Leah and the late Jerry Shiffer to the Champaign County, Ohio, YMCA chapter.

In July 2007, Leah Shiffer and her children donated an 88-acre parcel in North Lewisburg to the Champaign Family YMCA. In so doing, they honored Jerry Shiffer's lifelong appreciation for outdoor recreation—an appreciation he shared with his whole family.

The Champaign Family YMCA recognized the Shiffer Family's benevolence at a 2008 dedication event. The Y has used this land for its summer day camp program, giving hundreds of young people the opportunity to learn about nature and the environment.

On Sunday, the Champaign Family YMCA will formally acknowledge Jerry Shiffer and his family by naming this camp in their honor. Sunday's event will include a tree-climbing demonstration, a nature hunt, archery, and other family activities led by the Y and the Boy Scouts of America.

I appreciate the opportunity to join the Champaign County Y and the people of Champaign County in recognizing the ongoing commitment and gracious gift of the Shiffer Family. I know that the family is pleased that Jerry's vision for a recreational camp for area youth will continue to be fulfilled.

### WAGNER-PEYSER

### HON. GREGORIO KILILI CAMACHO SABLÁN

OF THE COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 18, 2013

Mr. SABLÁN. Mr. Speaker, I am introducing a bill to allow for the expansion of the federal Employment Service network to my district, the Northern Mariana Islands to be eligible for Employment Service Programs by amending the Wagner-Peyser Act of 1933, as amended by the Workforce Investment Act of 1998.

The Employment Service Programs provide funds to establish a nationwide system of public employment offices and One-Stop Career Centers across the United States. These centers have successfully connected millions of job seekers with employers throughout the 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam. The legislation I am introducing today, in remedying the statutory absence of the Northern Mariana Islands from the definition of "State," will allow for the expansion of the federal Employment Service network to the NMI, thereby contributing to both the local and National economy by supporting the development of an experienced, motivated, and most importantly, employed American workforce.

Should the Commonwealth government choose to apply for this grant, the funds could be used to stand up One-Stop Centers in the NMI that would help those searching for work find jobs and help local employers find qualified workers. These Centers provide services that have a proven record of success in hundreds of locales throughout the United States.

Our national economy is still pulling itself out of the deepest recession since the 1930s. The economy in the NMI is in even worse condition, however, with declines in GDP every year from 2004 to 2009. This bill provides for the possible extension of a federal
